ABOUT US

Affiliated to Chhattisgarh Swami Vivekanand Technical University, Bhilai Approved by AICTE, New Delhi

Situated in the capital city of Chhattisgarh,SSIPMT Raipur has become an insignia amongst the technical institutions in Central India. SSIPMT Raipur is the only institute in the region that has been conferred upon the prestigious 5S Certificate. SSIPMT fosters an understanding of technical and management education to harvest skilled engineers and efficient managers for the society. The global competitive market requires innovation, transformation, application of bold methodologies and the knowledge and determination to challenge conventional practices. SSIPMT, Raipur has toiled day and night to achieve this aim. We transform the raw minds into professionals through our focus on education, research and training practices to support the students gain the knowledge to renovate and the power to succeed.

Our commitment is to make every student of the institute ready to take professional stresses skillfully without being subjected to anxiety issues. We develop an urge for "Nothing less than the best" through constant motivation. Our work culture is continuously being innovated and refreshed to reflect the latest developments in technology and trends. Pure academics is appended with arduous co-curricular activities to generate an all-round development of the students.

To be a premier technical institute in the country that imparts innovation-driven education to nurture value-based competent future professionals.

ABOUT MANAGEMENT

Shri I.P. Mishra
