Assessment of performance is an integral part of TLP. As a part of sound educational strategy, the institution adopts Continuous Internal Evaluation (CIE) System to assess all aspects of a student's development on a continuous basis throughout the year.

Newly inducted students in the institute are made aware of the continuous assessment system during the induction program. When the session commences, students and stakeholders are made aware of the internal evaluation process and briefed about OBE, POs, PEOs and PSOs as well as COs of particular courses. Blooms Taxonomy is introduced in the evaluation system.

Subject: Accreditation status of programmes applied by Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh

Sir,

This has reference to your application I.D. No. 2473-18/07/2017 seeking accreditation by National Board of Accreditation in Tier-II format to UG Engineering programs offered by Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh.

2. An Expert Team conducted on-site evaluation of the programs from 26th to 28th April, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. Up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for 3 years. Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Contd/...

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above program is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)

Subject: Decision on appeal against non-accreditation of UG Engineering program offered by Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh.

Sir,

This has reference to Appeal dated 30-08-2019 filed by Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh against the decision of NBA not granting accreditation to UG –Mechanical Engineering program of your Institution, communicated vide NBA's letter of even number dated 30-07-2019.

2. The Appeal was considered by the Appellate Committee of NBA in its meeting held on 24-12-2019. The recommendation of the Appellate Committee was considered by the Competent Authority in NBA. Based on the decision taken, accreditation status of the following program is given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Mechanical Engineering	Tier-II Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. Up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for 3 years. Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd/...

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to **Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
